HOWE
MOVING DESIGN
SINCE 1928

MOVING DESIGN

All chairs and tables from HOWE offer impeccable functionality. You can fold them, stack and nest them. Roll them any way you want, optimizing the spaces in which we work, think, study and communicate.

Experience unparalleled comfort; the look, the originality, the way form follows function to the very last detail. Time and time again.

We are HOWE and we believe in moving design. Since 1928.
